# Troubleshooting.

| Issue | Solution suggestion |
| --- | --- |
| It doesn't start. | Make sure the button to activate the FoldMate Stacker in the program is in the "on" position. Ensure that the FoldMate Stacker is properly seated in its slot on the FoldMate. |
| It's not homing. | Make sure the product detection sensor's field of view is clear and unobstructed. If the sensor lens is dirty, gently wipe it with a dry, clean cloth. |
